

# PREMIUM FOR MOTO TAXI

## HIGH PERFORMANCE 4-STROKE ENGINE OIL

### DESCRIPTION:

Mineral based 4-stroke engine oil designed to ensure maximum protection for the severe duty cycle of a Moto Taxi. Shear-stable formulation protects critical engine components by minimizing viscosity loss and maintaining oil film thickness under high loads. Advanced, proprietary additive system utilizes unique chemistry to provide additional clutch and gear protection, while maintaining cleanliness and extending the life of the machine. Exceeds the requirements of API SL / JASO MA2.

### FEATURES & BENEFITS:

- Formulated specifically for Moto Taxi
- Superior protection at any temperature
- Unique chemistry added for additional clutch and gear protection
- Shear-stable formula maintains oil viscosity and film thickness under high loads
- Increases durability and extends engine life
- Exceeds API SL and JASO MA2 specifications

### APPLICATIONS:

For all air and water-cooled Moto Taxi 4-stroke gasoline engines.
